

Employee Payrolling

Payrolling and Onboarding with a Personal Touch

Companies trust Power-4 for payrolling just as they trust us to be their retained sourcing and professional staffing partner. Strong working relationships and familiarity with your brand and operations provide the continuity that makes our onboarding process more personalized. More effective.

Our payrolling services cover all contractors, in any role. The employee works for you, but Power-4 serves as their employer of record.

We assume responsibility (and liability) for:

- Employment verification and related HR services
- Onboarding customized for each employer and employee
- Streamlined timesheet management
- All applicable taxes, other withholding, and reporting
- All applicable insurance coverage

You can easily bring back former or retired employees, avoid co-employment pitfalls, provide a better experience for existing non-permanent employees, and quickly bring on new talent when needed. You get maximum workforce flexibility and scalability, all without increasing internal headcount or administrative burden.

The Power-4 Difference

- Seasoned payrolling experts
- True hiring agility
- Dedicated extension of your team
- Results you cannot achieve on your own
